

Is Your Installation Ready to Receive a Water Meter?

The items on the following checklist must be complete, and in compliance with the Town of Erie Construction Standards & Codes before a water meter installation form is submitted to the Town.

- ☐ Curb stop must be accessible:

Clear of all dirt, debris and snow

- ☐ Curb stop must be turned on

- ☐ Meter pit must be accessible:

Clear of all dirt, debris and snow.

- ☐ First stop valve in the house must be closed

- ☐ Correct frost lid must be in place:

Correct size, no cracks, clear of all dirt, debris and snow

Address must be posted clearly on the pit:

Address must be displayed clearly on the pit itself

- ☐ No Interference or Bypass Interference or Bypass Prohibited:

No act will be performed by any person(s) that will alter the flow of water and/or accurate registration of the meter. (Violators may be fined)

If any of the above listed items are found deficient and/or incomplete a \$100.00 return trip fee will be charged and must be paid in full before the installer will return to set the meter.

By signing below you are acknowledging all the above items are completed.

NOTICE

6-6-9: LITTER CONTROL:

A. Littering Generally:

Littering Prohibited: It is unlawful to deposit, throw or leave any litter on any public or private property or in any waters.

Defenses: It is an affirmative defense that:

- a. The defendant deposited, threw or left the litter on property designated by law for the disposal of such material and had authority from the proper public authority to so use the property; or
- b. The defendant owned or lawfully possessed the property, or first obtained consent or acted under the personal direction of the owner or other person lawfully possessing the property. (Ord. 608, 9-24-1998)
- c. The litter is placed in a receptacle or container installed on such property for that purpose. (2004 Code)

Definitions: As used in this subsection, the following words and terms shall have the meanings ascribed to them as follows:

LITTER: All rubbish, waste material, refuse, garbage, trash, fecal material, debris, or other foreign substance, solid or liquid, of every form, size, kind and description.

PUBLIC OR PRIVATE PROPERTY: Includes, but is not limited to, the right of way of any road or highway, any body of water or watercourse, including frozen areas or the shores or beaches thereof, any park, playground, or building, any refuge, conservation, or recreation area, and any residential, farm, or ranch properties or timberlands.
